

The image displays two maps of the Biacesa area. The top map, titled "B5B - BIACESA", provides a detailed view of the town and its immediate surroundings. It features a river flowing through the landscape, with various colored zones (green, yellow, orange, red) indicating different land uses or planning areas. Infrastructure such as roads and railways are also shown. The bottom map, titled "BIACESA", shows a broader view of the area, including the town and the surrounding forested hills. It highlights the town's location relative to the surrounding landscape and the river. Both maps use a color-coded system to distinguish between different land uses and planning zones.
